Congratulations to KMUH for Winning Four 2024 Taiwan Healthcare Sustainability Awards

"Gold Award for Sustainability Report," "Social Inclusion Leadership Award," "Age-Friendly Leadership Award," and "Creative Communication Leadership Award"

The 2024 Taiwan Healthcare Sustainability Awards ceremony was held on November 20, where Kaohsiung Medical University Chung-Ho Memorial Hospital received four prestigious honors:

- **Gold Award for Sustainability Report**
- **Social Inclusion Leadership Award**
- **Age-Friendly Leadership Award**
- **Creative Communication Leadership Award**

Secretary Ms. Ling-Sui Chen, representing the Office of the superintendent, accepted the awards on behalf of the hospital. Notably, this marks the sixth consecutive year the hospital's Sustainability Report has been recognized, highlighting its commitment to the United Nations Sustainable Development Goals (SDGs) and its dedication to creating a better world.

Since 2014, the hospital has published an annual Sustainability Report and participated in the Taiwan Corporate Sustainability Awards (TCSA). Its initiatives and achievements have earned widespread recognition across industry, government, academia, and research sectors, accumulating 2 Gold, 2 Silver, and 2 Bronze awards. In April 2024, the hospital established the **ESG Sustainability Development Committee**, ensuring its sustainability strategies are effectively communicated to all departments and systematically implemented in daily operations.

These four awards affirm the hospital's steadfast commitment to sustainability, corporate social responsibility, and delivering innovative, inclusive, and age-friendly healthcare services.
